

March 2, 2020

Greetings from the Chamber,

The Greenville Chamber of Commerce would like to thank you for the support of all our members. I have truly enjoyed my first full year as Executive Director of the Chamber. I hope that you, as members, have enjoyed it as well. It's hard to believe that the year 2020 is upon us. Time flies by so quickly and plans for the new year have already begun. I hope that you will be on board once again or join us, if you have not previously been a member of our organization.

We will continue to provide all of our signature programs and we'll be mixing things up a little this year when it comes to our networking events. Along with our "Business After Hours" events we will have quarterly "State of the City/New Faces" morning coffees, more "Lunch & Learns" and hopefully a few more casual get-togethers. If you have any ideas for an event, please let me know. I would love to hear your thoughts! We would also like to encourage your business or organization to host an open house or grand opening/ribbon cutting (or even reopening) event, as well. Show us what you do, so that we can spread the word. Let us brag for and about you!

Enclosed, please find a 2020 membership form. Please complete and return to the Chamber office to ensure your membership remains current and we are able to continue to provide the many benefits of Chamber membership. There is also an A La Carte sponsorship page on the back of your membership form. These sponsorship opportunities are an addition to your membership. You can pick and choose or cover all bases with a "Sponsorship Package". We will be updating the membership list on the Chamber website to include your business social media links to ensure we are directing potential customers to all your important business information and resources. We want you to be the first to be noticed!

In addition to membership perks from the past, remember to notify me with any information that you would like pushed through my weekly emails and our social media. AND don't forget membership also gives you access to special "member to member discounts". 2020 will include rental space/membership discounts at the long anticipated Greenville SMART Center.

Thank you all for your support for our town and the Greenville Chamber of Commerce. The Chamber board and I are excited to make 2020 the best year yet. Join us!

All my best,

Elaine McNamara
