

December 20, 2022

Greetings from the Chamber,

Merry Christmas and Happy New Year! I want to start by thank you for another wonderful year with the Greenville Chamber of Commerce. Every year just gets better! With our membership growing and we saw more collaboration between businesses and more participation in our events. 2022 brought some new events with our 1st Annual Awards Gala in January where we had a chance to honor many of our members for the first time. We launch our Chamber Ambassador program this year and our first ambassador team has been very impressive. Our first Witches Night Out in October was a surprising success and the Restaurant Rumble in November sparked creativity and positive competition that everyone could enjoy. This year's Come Home for Christmas took on some new elements and we had our largest crowd in many years. All these successes are due to the generosity of members like you through your contributions of your time and sponsorships and your positive "word of mouth."

I hope that you will join us for 2023. We know things can only get better and I'm excited to see what that will look like. You can renew by mail or by visiting [greenvilleilchamber.org](http://greenvilleilchamber.org). Please let me know if you have any questions. Also, I want to remind you that your ideas are always welcome! Thank you for making contributing to the success of the Greenville Chamber of Commerce.

All my best,

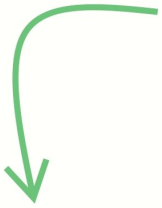

*Elaine McNamara*
